5. Inviting Students

- The students' project advisor sends invitations to their students.
- The students who have received the invitation register by clicking the invitation link provided in the email (the same process as in Step 2)

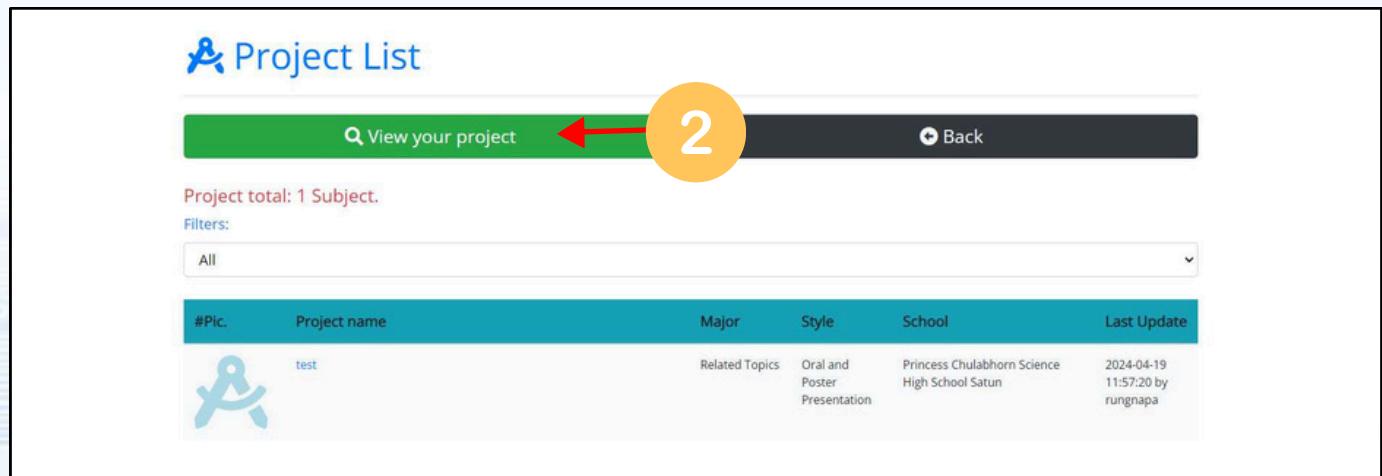

6. Registering Projects

- Participating students register their projects by following the guidelines provided on their member site / profile page.

To add a project, only 1 member of a project team (2 members) is required.

The screenshot shows the TJ-SSF 2025 member site interface. At the top, there is a navigation bar with links for Home, Profile, Project, Download, Information, and other site functions. Below the navigation bar, the main content area is titled "TJ-SSF 2025 for members". On the left, there is a user profile placeholder and buttons for "View Profile" and "Check attendance". In the center, there is a "What's new" section with a list of recent updates. To the right, a vertical sidebar menu is displayed, with the "Project" option highlighted by a red arrow and a yellow circle labeled "1". The "Project" menu item is part of a larger section titled "How to invite a new member".

The screenshot shows the "Project List" page of the TJ-SSF 2025 member site. At the top, there is a header with the "Project List" title and a "View your project" button, which is highlighted by a red arrow and a yellow circle labeled "2". Below the header, there is a "Back" button. The main content area displays a table of project details. The table has columns for "#Pic.", "Project name", "Major", "Style", "School", and "Last Update". One project entry is visible, showing a thumbnail image of a person, the project name "test", the major "Oral and Poster Presentation", the school "Princess Chulabhorn Science High School Satun", and the last update date "2024-04-19 11:57:20 by rungnapa".
